

DMG MORI

12th – 15th June 2018 | Tue. – Fri.: 9.00 a.m. – 5.00 p.m.

OPEN HOUSE **BIELEFELD**

HIGHLIGHTS

- + **Automation competence meets customer benefit:** The perfect integration of hardware and software - uncompromising across all automation solutions, from standard systems to turnkey projects
- + **Digital Factory:** With CELOS to digital manufacturing in the age of **Industry 4.0**
- + **Technology Excellence:** Holistic portfolio in milling and turning – DMG MORI offers the optimal solutions for flexible and efficient production
- + **ADDITIVE MANUFACTURING:** Three complete process chains for powder bed and powder nozzle
- + **DMQP:** Perfectly coordinated peripherals and accessories from a single source
- + **Technology cycle:** The true assistants of workshop-oriented programming for easy handling and measurement as well as efficient chip removal and monitoring
- + **NETSERVICE 4.0 and WERKBLiQ:** Digital service solutions for more transparency and faster help

12th – 15th June 2018 | Tue. – Fri.: 9.00 a.m. – 5.00 p.m.

DIGITAL FACTORY – INDUSTRY 4.0 LIVE IN BIELEFELD!

Dear Ladies and Gentlemen,

We cordially invite you to our DMG MORI Open House at GILDEMEISTER Drehmaschinen GmbH from 12th to 15th June 2018 in Bielefeld. Experience a high-tech event in a class of its own and find out more about current trends and forward-looking innovations from DMG MORI. You can count on **30 high-tech machines, including 12 machines with automation solutions.**

We took Digital Factory to a new level this year and will show you how CELOS fully integrates your business organization with your machines and peripherals and links them with digitized **manufacturing and automation solutions.** With our fully integrated innovations, you already benefit from intelligent production in the age of **Industry 4.0.**

Register today at **BIELEFELD.DMG MORI.COM** and get in direct contact with our technology and product specialists.

We are looking forward to your visit!

Your DMG MORI team

30 HIGH-TECH EXHIBITS LIVE IN PROCESS

TURNING TECHNOLOGY

Universal turning centre

CLX 450 with GX 6

NLX 2500 | 700

CTX 2500 | 700 with GX 15 T

CTX beta 800 TC with Robo2Go

Turn & Mill complete machining centre

CTX beta 800 TC

CTX beta 1250 TC

CTX gamma 2000 TC

NTX 1000 (Siemens)

NTX 3000 (Siemens)

CTX beta 1250 TC 4A

Production turning centre

CTX beta 800 4A

CTV 250 DUO

CTV 250 DF

SPRINT 20 | 8

AUTOMATION

Production line

CTX beta 1250 4A and 2x CTX gamma 1250 TC

interlinked together in perfection by means of a robot on linear axis

MILLING TECHNOLOGY

Universal milling machine

DMU 50 3rd Gen. with PH 150

DMU 50 3rd Gen. with WH (Heitec)

CMX 50 U

DMU 75 monoBLOCK

5-axis universal milling machine

HSC 20 *linear*

DMU 60 eVo FD

DMC 80 FD duoBLOCK

Vertical machining centre

DMC 1850 V

CMX 600 V with 60 tools

CMX 800 V with PH 150

Horizontal machining centre

DMC 60 H *linear*

NHX 4000

Compact machining centre

Milltap 700 with WH3

Conventional milling machine

FP 4 M Special Edition

ADDITIVE MANUFACTURING

LASERTEC 30 *SLM* - Stealth Design

LASERTEC 65 *3D*

WORLD
PREMIERE
2018

DMC 1850 V

- + **36 month guarantee** for all MASTER spindles without time limit
- + Standard equipment with directly coupled drives, 42 m / min rapid speed, inlineMASTER 15,000 rpm* and direct - absolute path measuring systems
- + **Optional speedMASTER spindle** with up to 20,000 rpm and SK 50 / HSK-A100 with up to 300 Nm available
- + Increased stability and rigidity due to a one-piece **machine bed made of cast iron** with optimal chipfall
- + **3.000 kg max. workpiece weight** workpieces up to 1.850 x 700 x 550 mm (2.150 x 700 mm table size)
- + **New DMG MORI Stealth design**
- + **CELOS with SIEMENS** or **CELOS with HEIDENHAIN (TNC 640)**

*available as of Q1 2019

DMG MORI Open House at
GILDEMEISTER Drehmaschinen in Bielefeld

- + DAILY LECTURES ON THE THEMES **DIGITIZATION**, **TECHNOLOGY EXCELLENCE** AND **AUTOMATION**
- + DIRECT CONTACT TO OUR **TECHNOLOGY AND PRODUCT SPECIALISTS**
- + **FACTORY TOURS**

OPENING HOURS

12th – 15th June 2018

Tuesday – Friday: 09.00 a.m. – 5.00 p.m.

Training day

Monday, 11th June 2018

09.00 a.m. – 02.00 p.m.

YOUR CONTACT PERSON:
