# WELCOME TO CIMES 2018 IN BEIJING

Dear Ladies and Gentlemen,

We cordially invite you to the **DMG MORI booth 101** in **hall W1** at the **CIMES 2018** in **Beijing** from **26 – 30 June 2018**.

Digitization, integral automation solutions, ADDITIVE MANUFACTURING and Technology Excellence – DMG MORI will be showcasing its complete range of manufacturing competence. The digital transformation in machine tool manufacturing is one of the key issues for DMG MORI and follows a bottom-up strategy.

With our APP-based control and operating environment, CELOS as well as Powertools, we are actively shaping Industry 4.0. Find out how CELOS completely integrates your company with the machines, automation solutions and links it to digitized production.

We are looking forward to welcoming you on our booth!
